The Bodhi Tree

Sujatha Hettiarachchi

**In the forest dense and wild
Providing shade for fierce and mild
Beloved by both man and child
The Holy Bodhi Stands**

**In the city's sun-browened heart
Where the highways meet and part
Beneath whose shade the sparrows dart
The Holy Bodhi stands**

The Bodhi Tree

Sujatha Hettiarachchi

Down the river's fertile shore
Where young meet for Dhamma's lore
Enshrined within a pilgrim door
The Holy Bodhi stands

Years by thousands have gone by
Since that Indian Prince did sigh
And where became the Buddha high
The Holiest Bodhi stands

-----End-----

**The Buddha taught the Noble Truth to me
I see reality
And with this Truth,
The middle path I choose
The Dharma shines in me**

**I'll strive for freedom
For sweet release
In me all craving cease**

And so I'm here to share all that I knew
The Dharma in us grows

I'll strive for freedom
For sweet release
In me all craving cease

And so I'm here to share all that I knew
The Dharma in us grows
The Dharma that I see
It shines so bright in me

Cradled in Buddha's Arms

igemz

Lord Buddha

You're here today to walk with me

I want to be walking beside you

You've showed me the way to happiness

I just want to be with you

You've given me the precious gift of Your truth

I promise to protect it with all my heart

And even when things seems to fall apart

I can always make a start

Cradled in Buddha's Arms

igemz

Lord Buddha (Lord Buddha)

I feel save in Your arms

You have cradled me with Your Dhamma truth

I take refuge in my Lord

Lord Buddha

I never want to walk alone

And I know you're always here beside me

I'd rather be walking this path than others

You are here to show me

Cradled in Buddha's Arms

igemz

**The path You've shown I walked today with joy
Together with my Lord I can always be
And even if I don't see you often
You have never left me**

**Lord Buddha (Lord Buddha)
I feel save in Your arms
You have cradled me with Your Dhamma truth
I take refuge in my Lord**

Buddha Lord In Thine Embrace

**Buddha, Lord, in Thine embrace
We our children dear would place
In the dawn of life to be
Consecrated, Lord to Thee**

**To Thy guardianship benign
We our loved ones would assign
To be welcomed to Thy fold
As Rahula was of old**

Buddha Lord In Thine Embrace

**Coming thus in tender youth
Unto Thee, O lord of Truth
May Thy Word their hearts impress
With the seal of holiness**

**Guide our precious ones, dear Lord
Constantly Thine aid afford
Till this earthly life is done
And Nirvana's glory is won**

Buddha Lord In Thine Embrace

Buddha, Lord, in Thine embrace
We our children dear would place
In the dawn of life to be
Consecrated, Lord to Thee

**Ehipassiko, come and see you'll know
The teachings of peace
The teachings of love
The teachings of the Buddha is for all
Who wants to be free forever more**

**Ehipassiko, come and see you'll know
The teachings of peace
The teachings of love
The teachings of the Buddha is for all
Who wants to be free forever more**

**But don't just believe
Investigate
Do not simply accept
What you hear or see
Not even if it's uttered by me**

So don't just agree
You've got to verify
When you know that it's good
And it's praised by the wise
So live up to it the rest of your life

How high is the mountain

How deep is the sea

How long will man learn to live

How blue is the ocean

How green is the leaf

How long will man learn to be free

Wheel Of Life

Tan Huat Chye

For you shall not go
Round and round again
In the wheel of life
And you shall not go
Down and down again
With your fruitless strive

How long is the night
To the sleepless one
Waiting for the morn to come
How long is the road
To the weary one
Carrying on the route that he can't

Wheel Of Life

Tan Huat Chye

For you shall not go
Round and round again
In the wheel of life
And you shall not go
Down and down again
With your fruitless strive

How high is the mountain
How deep is the sea
How long will man learn to live
How blue is the ocean
How green is the leaf
How long will man learn to be free

Thoughts

Tan Huat Chye, Sujatha Hettiarachchi

I fold my palms to worship Him
And meditate thro' love
I place the blossoms one by one
And lift my eyes above

I see Samsara's mighty vast
And sorrow's yearning fate
But thro' the law the Dhamma's taught
I sense a pathway great

**“Oh may that Noble Eightfold way
Be sensed by you and me
For on this Holy Wesak Day
‘Tis my true gift to thee!”**

**I see Samsara’s mighty vast
And sorrow’s yearning fate
But thro’ the law the Dhamma’s taught
I sense a pathway great**

And sorrow's yearning fate
But thro' the law the Dhamma's taught

I have found the joy within my heart
The joy that builds a bridge
Don't you think that it is time
The joy grows and shines

When we stand together
It's our finest hour
We can do almost anything
Believing in our aims

Standing Together

GeeBees

Like a bird that flies in our evening sky
Take away, oh take away
All imaginations and desires
To a place where love will shine

When we stand together
It's our finest hour
We can do almost anything
Believing in our aims

The first step is to realise
That it all begins with you and me
To walk on the Dhamma's way
The truth that's so sublime

When we stand together
It's our finest hour
We can do almost anything
Believing in our aims

Standing Together

GeeBees

Like a bird that flies in our evening sky
Take away, oh take away
All imaginations and desires
To a place where love will shine

When we stand together

**Children of the Buddha
Proudly now we stand
Raising high His standard
In this eastern land**

**Buddha's teaching spreadeth
Universal peace
Where His name is honoured
Hate and strive shall cease**

**Children of the Buddha
We must strive to show
Truth and love and kindness
Where soever we go**

**Purity, obedience
Faith and courage strong
These shall light our journey
As we march along**

As we climb life's mountain
Clouds will disappear
Buddha's love surrounding
All who persevere

Grief and pain departing
Ignorance will cease
On our hearts descending
Blest Nirvana's peace.
